WELCOME

If you are a visitor to All Saints, we want you to know how welcome you are—whether you have come from another part of the country, from across the world, or from another parish here in the Diocese of Dallas. Thank you for praying with us. Thank you also for your generosity, which helps us to celebrate All Saint's liturgies here in a fitting and beautiful way, and to offer a wide range of services to needy people living in the Dallas area. Enjoy your visit and know that you always have a home here at All Saints Catholic Church!

MISSION STATEMENT

We gather as the Body of Christ: to grow in our faith, to serve, to share.

We the faith community of All Saints, united in God's family through our Catholic tradition, gather to bear witness to the teachings of Jesus Christ and share His eternal mission. We come together for communal worship, education in faith, spiritual growth and fellowship. Inspired by the Holy Spirit, we reach out as Christ's hands to spread God's love, healing and forgiveness. We are committed to our tradition of hospitality, diversity and tolerance. We invite all to use their time, talent and treasure to make present the kingdom of God.

Stewardship Reflection…

Throughout the Easter season, our readings have given us glimpses into the life of the newborn Church and the bold witness of the early disciples in spreading the Good News of Jesus Christ to all who would listen. These disciples were the first to live a stewardship way of life and their example is as relevant today as it was 2,000 years ago.

In the First Reading, from the Acts of the Apostles, we catch up with Paul and Barnabas in Antioch. While they certainly have some success in reaching many people there with the message of salvation, others are downright infuriated by their words and send them packing. Yet, we read that "the disciples were filled with joy and the Holy Spirit." Overall, it seems as if Paul and Barnabas had failed in Antioch. But this seeing failure has not robbed them of their joy. What's more, they are filled to the brim with the abundant gifts of the Holy Spirit. How is this possible?

It is only possible because Paul and Barnabas saw themselves as nothing more and nothing less than stewards of Christ and His Good News. This realization brought them freedom — to offer themselves and their lives to others for the sake of the Gospel. The "results" of their efforts were up to God.

This Spirit-filled, joy-filled life is available to all of us, all these years later. It can be achieved when we recognize, like Paul and Barnabas, that all we have and all we are is a gift from God, meant to be shared with others for His glory. Of course, living as God's stewards does not mean a life of ease or a life free of sacrifice. Sometimes the steward's life involves great challenges, requiring all the strength and love one has to give. But in the end there is simply no more satisfying way to live.
