

Dear All Saints Catholic School Middle School Parents,

As you know, fostering a love of reading at a young age has so many benefits. With reading being the biggest indicator of academic success, we must foster that love and continue to encourage our students to read. At All Saints Catholic School, we want to do all that we can to foster that love of reading. This summer students will have the opportunity to build their knowledge and faith through the wonderful world of books!

Middle School students will select books from the categories on the Bingo Card to make a “Bingo” either horizontally, vertically, or diagonally *and* complete 1000 minutes during the summer, approximately 15 minutes per day. You must have at least one “Bingo” on your card.

In addition, students will document their reading minutes on the Summer Reading log attached. The logs may be filled out by the students, but must be verified by a parent. Summer Reading Logs and Bingo Cards are due to the Literature teacher during the first week of school. Reading Logs will count as a portion of the reading grade for the first quarter.

Minimum Summer Reading Requirements:

- ★ Students should choose at least one book on the recommended list. They may move up a grade level, but not below a grade (i.e. a rising 6th grader may read a 7th grade book).
- ★ Everyone should read a minimum of 2 books and honors students should read 3 books.
- ★ Books should be as close to your AR range as possible and should be Middle School appropriate.
- ★ Students will choose one book to take an AR test the first week back at school.
- ★ Students must have a “Bingo” AND
- ★ Students 1000 minutes of reading and complete the Reading Log.

Yours in Christ,

Shana Druffner and Christina Flores
